

RIGHT TURN FOR YUMA VETERANS

Supporting those who fought for us

ABOUT US

Right Turn for Yuma Veterans is a new program under the Child and Family Services, Inc. organization. Child & Family Services of Yuma, Inc. (CFS) is a non-profit agency that has provided quality outpatient counseling services to children and their families since 1979. In 2014, Right Turn for Yuma Veterans was established to help reduce the homeless veteran population in Yuma County. Right Turn for Yuma Veterans offers long-term, transitional housing in a group home setting for up to six veterans who are homeless, or at risk of becoming homeless. We provide our veterans with not just a roof over their heads, but the support system necessary to live independently within the community. A clean, comfortable, and safe environment provides our residents with a reliable stepping-off point for their return to independence.

OUR SERVICE

Our mission for those we serve is to provide homeless or at-risk of being homeless veterans the opportunity to leave homelessness and develop financial and social independence by providing transitional housing to include room and board, assistance in obtaining financial independence, medical benefits and services, and re-engagement with community and family.

OUR SERVICES INCLUDE:

01

Assistance in obtaining VA and other benefits

02

Case Coordination and Life Coaching

03

Transportation to and from appointments.
